

AESC Recreational Activities

61st Annual Meeting - 2018

We have arranged a number of group activities planned for you and your family during the AESC's 61st Annual Meeting at the Montage Resort in Deer Valley, Utah. Additional registration for these events is necessary since there are extra costs associated with them. In addition, we have listed a number of options that you can enjoy on your own or with friends from the Club. For these "do it yourself" activities, we have provided basic information and vendor contacts.

CLICK HERE to sign up for the recreational events.

***Our additional activities are sold out for pre-registration.** If you find your plans changing and want to see if there's space for certain events, check with Kathy Paul at the registration area at the meeting. Some events are completely sold out: Horseback Riding (Wednesday) and the ATV Off-road Adventure (Saturday). The Club discount tickets at the Olympic Park are no longer available; however, you can purchase full-price tickets at the park if you wish.*

If you haven't yet submitted your **general registration** for the conference, [REGISTER HERE](#) now.
