The Omni Homestead Resort offers some of the country's most challenging and historic fairways. Consistently ranked among the finest Virginia golf courses, the resort's championship courses allow you to perfect your golf game on impeccably manicured greens while basking in the serenity of the surrounding landscape.

The resort's championship courses have challenged Presidents William Howard Taft, Dwight D. Eisenhower and George H. W. Bush, as well as two generations of Rockefellers. Both courses have a clubhouse and offer short-game practice facilities and driving ranges. Callaway rental clubs are available.

We will tee off on the **Old Course**, home of the nation's oldest first tee in continuous use. The course, which debuted in 1892 as a 6-hole course, boasts updates by William S. Flynn and Donald Ross. Abundant fairway contouring gives most shots a side hill, uphill, or downhill lie to smallish greens, making approach shots interesting.
