

FACTS

Kids Equestrian Center Experience

Day: Monday morning, August 2nd
Time: 9:30 a.m.
Gather at the Family Breakfast
Grand Ballroom East

There will be two groups of older kids going out on a 45-minute guided trail ride while younger kids experience the stables and a pony ride led by a handler. We'll meet at the breakfast and take the hotel shuttle for the short trip to the Equestrian Center. Adult supervision will be provided throughout!

The first group of trail riders will depart first, and then the rest of the crew will head over to the Equestrian Center. Parents will be asked to complete a waiver form... check with the AESC registration table for specifics.

Keep in mind . . .

- Close-toed shoes!
- Long pants (jeans are best)
- For safety reasons no cell phones, cameras, or bags are allowed on the rides.
- Western saddles will be used.
