*“Pirates, Treasure and Bubbles”*

This will be a supervised activity led by Emily Paul who in real life teaches 1<sup>st</sup> and 2<sup>nd</sup> grade. We’ll have crafts, indoor games and other fun things. From our experience, this is a great time for the kids to get to know each other for the rest of the week.

Come back to the Tides Ballroom between 11 and 11:30 to pick up your little one(s).
